ELECTRIC GRID OFFICES:

None of the six undertakings proposed to be amalgamated with the Amalgamated Electricity Co.(Belgaum). Ltd., are scheduled to get Electric Power in the immediate future, from any of the Schemes under execution by the Grid Department. Further more the date of expiry of the five undertakings (the sixth one- the Ajmer Electric Supply Co.Ltd. is situated outside the State of Bombay) varies from 1973 to 1981. Accordingly the question of acquisition by Government(or the State Electricity Board which may be set up) of any of these undertakings will not arise in the near future.

Consequently it is suggested that the Central Electricity Commissioner may be advised that the amalgamation of the ~~given~~ Seven undertakings does not interfere with any of the electrification plans of the Government of Bombay.
